RE: **Report: “Ready, Set, Go – Part 1”**

John Doner & Associates is pleased to present the following report regarding cash reserves and fundraising performance among Texas Senators.

Senators are ranked in descending order by cash-on-hand, which was most recently reported to the Texas Ethics Commission in January, 2007. They are then ranked in descending order by total amount raised during the period July 1, 2005 through December 31, 2006.

In just a few days, we will publish “Ready, Set, Go – Part 2,” reporting the same information regarding members of the Texas House of Representatives.
