

Dear Neighbor,

I need your help to win the City Council runoff election. With my business experience, I will be a good councilman. I am a fiscal conservative with a degree in Economics, and experience in meeting payrolls. I will work to improve Code Enforcement, fight crime, and keep taxes low.

Voter turnout will be the key to this election. My opponent is well organized, having been the Lubbock County Democratic Chairman, and his supporters will turn out to vote.

Early voting has started, and goes through Tues. June 5th.
