

FOR IMMEDIATE RELEASE

**Representative-Elect Jim Landtroop Names Alice Sawyer District Director
SAYS HE'S HONORED TO HAVE HER AT THE HELM**

PLAINVIEW, TX—Representative-Elect Jim Landtroop is pleased to announce long-time Plainview resident and 2006 “Woman of the Year” Alice Sawyer as his District Director for House District 85.

“Alice is highly respected in our community and Cathy and I are honored that she sought this key position. Not only has Alice never met a stranger, but her broad experience in the health and human services industry partnered with her organizational skill set make her the perfect person for this critical role,” stated Landtroop.

Ms. Sawyer’s career spanned almost a decade with Covenant Hospital and 17 years with Central Plains MHMR where she served 12 years as director of the Retired Senior Volunteer Program and 5 years supervising MR case management, residential, and dual diagnosis programs. She has also worked with the Texas Department of Criminal Justice.

Alice served as Nursing Home Volunteer Ombudsman through the South Plains Association of Government for seven years and also served on the Texas Department of Human Services Texas Works Advisory Council in Austin, at the recommendation of former Speaker of the House, Pete Laney.

2006 Woman of the Year, Alice has been recognized and honored for her extensive community service including her board membership and leadership on the Plainview Area United Way, Plainview Community Concerts Association, American Cancer Society, Planning Network Advisory Committee, Plainview Chamber of Commerce and Soroptimist International of Plainview.

“Alice has her professional counselor’s license...but more importantly, she has a counselor’s heart which will richly bless our constituents. I feel confident that she will take the time to listen and help each and every person that calls our office. She will also be managing the calendar and scheduling speaking opportunities for Cathy and myself as well as making appearances and flag presentations on our behalf.”

“I am thrilled to be serving the citizens of House District 85 on behalf of Representative-Elect Landtroop,” said Sawyer. “Jim, Cathy and the kids have been neighbors and friends for over a decade and I know he will be a wonderful State Representative for our district. I look forward to hearing from everyone regarding events you would like for the Landtroops to attend, issues that concern you, and/or legislative ideas you would like for Jim to address in the upcoming session.”

Currently, Alice can be reached in person at 3206 B. Olton Road, online at alice@jimlandtroop.com or by phone at 806.288.0387.
