EXHIBIT "D"  
COMPENSATION & PRICING

**FIXED FEE STRUCTURE**

(A) Commencing on the expiration of the Warning Period, Customer shall be obligated to pay Redflex a fixed fee of \$4,780 per month for each Designated Intersection Approach ("Fixed Fee") as full remuneration for performing all of the services contemplated in this Agreement.

(B) The focus of the Program is to encourage drivers to reduce red light violations. Accordingly, the parties agree that the compensation to be paid to Redflex is not dependent upon violation rates but is made in consideration of total services rendered in support of the Program. The parties agree that this Program is intended to be cost neutral or "self-funding" and therefore the City's obligation for payment and the total compensation paid to Redflex over the course of this Contract shall not exceed the total amount of civil penalties received from violators.

**(C) Cost Neutrality**

(1) Cost neutrality is assured to Customer. The maximum compensation that Customer shall be obligated to pay to Redflex each month is the Fixed Fee. Each month, Customer and Redflex shall compare the aggregate revenue received from all Notice of Violations ("Revenue") to the total amount invoiced by Redflex for the Fixed Fee ("Amount Invoiced") during the previous month ("Cost Neutrality Review"). If the Amount Invoiced exceeds the Revenue, then City shall only be obligated to pay the Revenue to Redflex and the difference between the Revenue and the Amount Invoiced for that month will carry over to the next month as a deficit ("Deficit Amount"). If, in the next following month, the Revenue exceeds the Amount Invoiced, Customer shall pay the Amount Invoiced plus all or any portion of the accumulated Deficit Amount to the extent that there is sufficient Revenue to pay all or any portion of the Deficit Amount. Upon contract expiration or termination, if an invoiced balance is still owed to Redflex, all subsequent receipts from automated red light violations for a period of 12 months from date of termination will be applied to such balance and paid to Redflex.

(2) Redflex agrees that the Customer's obligation to pay the monthly Fixed Fee shall be limited to those revenues generated by the Program, collected by Redflex, and received by the Customer. Redflex acknowledges that Customer is not making, and will not make, any current or future obligation of any other revenues of the City other than program Revenues.

**(D) REDFLEX PAYMENT PROCESS**

1. Redflex agrees to contract for Lockbox Services with a banking institution of its choice and that any interest earnings within the account will be revenue to the City and will not be included as revenue for the purposes of this contract. Redflex will transfer cleared funds from the account to a city specified account on a daily basis, and may not retain cleared funds for any reason.
2. On or before the fifteenth day of each month, Redflex shall prepare a statement to be sent to Customer which includes (a) the amount of fines collected in the lockbox for the preceding month plus the amount of fines collected via court proceedings during the month (“Monthly Collections”), (b) the amount of the all Fees for the installed and operating Designated Intersection Approaches, (c) the amount by which all Fees exceed or fall short of fines collected for the preceding month, (d) the cumulative balance of the shortfall or overage in fees since the Commencement Date (e) an aging report of citations issued, and (f) a detailed list, by offender, of citations issued.
3. Redflex will remit an invoice to the Customer on or before the 15<sup>th</sup> of each month and an analysis that will reflect the cumulative deficit, fines collected, and outstanding fines.
4. Redflex will offer the following payment methods;

Checks will be made payable as directed by the City and will be mailed to a specified address for deposit in the lockbox account.

By Phone: Credit card payments will be accepted over the telephone by calling the Redflex local customer service office. Redflex will direct the third party processor processing said payments initiated via telephone to deposit the funds directly to the lockbox account. A convenience fee of not more than 4% of the fine amount will be charged to the violator at no cost to the city for handling such transactions

Pay-by-Web: Credit card payments will be accepted by Redflex via the internet. Redflex will direct the third party processor processing said payments initiated via internet to deposit the funds directly to the lockbox account.
