It's Time to get City Council Back on Track! It's Time to Elect Frank Sikes

As the **true** common sense conservative in this race, I will:

Work to put more police on the streets by fully staffing and equipping our police department.

Ask the tough questions and then provide strong business-like leadership in finding solutions to the problems we face and keeping our taxes low.

Listen to **you** and represent **you** as your public servant. I have **no** conflicts of interest and **no** hidden agendas for personal gain.
